

# Holiday Wellbeing Program

## IMPORTANT TO KNOW

-  Daily activities are scheduled at different times and locations. Please check the details each day and make sure to drop off and pick up promptly, so as not to interfere with the activities being run.
-  If your child is likely to be late to the activity, or if your child will be unable to attend an activity for which they have registered, please notify the NI-Connect team as soon as possible (Office: 23380; On-call: 51115).
-  Please ensure your child brings a packed lunch with both morning and afternoon tea, and a drink bottle. Water is available to refill bottles.
-  Please ensure staff are aware of any allergy, medical condition, current medication, or treatment or behaviour management plan that applies to your child.

## ADDITIONAL INFORMATION

-  Sunscreen is available and children will be encouraged to apply sunscreen throughout the day. Please ensure your child brings a hat to wear outside.
-  Your child can make their way to and from the venue independently if you have signed a consent form (available from NI-Connect).
-  Sometimes our scheduled activities change but we will do our best to let you know as soon as possible, usually via email.
-  COVID-19 guidance is adhered to and if your child is feeling unwell or experiencing flu-like symptoms, unfortunately they will not be able to attend.
-  To make sure that all of the children are safe, we have ensured that staff-to-child ratios are met for all activities.
-  Most importantly, we want the children to have FUN. Please let our staff members know if there is anything we can do to make this a more positive experience for your child.
