

Children's Vacation Care Holiday Wellbeing Program

Expression of Interest: HWP Support Workers

Are you someone who enjoys engaging with school-aged children and who wants to work in a team to contribute to a safe and enjoyable holiday program? If so, then we would love to hear from you!

The Holiday Wellbeing Program is a vacation care program that runs for eight days during the school holiday periods and run from 9am to 3pm. The program includes a range of educational, fun and creative activities for children and aims to build on children's skills, interests, self-confidence and resilience, as well as promote positive relationships and community connections. NI-Connect are always keen to hear from anyone who would like to assist NI-Connect in running the eight day program.
